Join us for brunch and share in our Mother's Day tradition at Cheers Chalet. Our lovely garden venue is just the place to show your mom just how special she is to you. We welcome all size groups, and can seat everyone together. With our wide variety of menu offerings, there is sure to be something to please everyone in your group. Non-Alcoholic drinks are included in the buffet price, and we will be serving beer, wine and brunch cocktails at an additional cost. This year we will feature a Tequila Sunrise Mimosa special for \$2. Colonial Wagon & Wheel will be back again this year selling their unique metal yard decor, and Delightful Sounds will provide live music entertainment.

Adult Buffet \$27.00
Kids (ages 3-10)
\$9.75

** meal price includes non-alcoholic beverages. Sales tax and a 15% gratuity will be added to your final bill**

The Mothers Day Brunch profits are being donated in memory of Carston Adams to the Adams Family of Bremen to defray the costs of baby Carston's medical bills.

Ashley Adams is a dedicated employee of Cheers Chalet. From the time Ashley announced that she and her husband Justin were expecting...we all rejoiced with them. Not too long into her pregnancy, tests showed that their baby had a rare condition known as Trisomy 18. Justin and Ashley's faith in God gave them the courage and strength to believe that God "had this" and they knew that they had to continue trusting Him no matter what the outcome. Their baby boy, Carston was born on Sept 3, 2017 and so began a long journey for their family with Nationwide Children's Hospital in Columbus, OH. Carston fought a ferocious battle and experienced small victories, but after months at Childrens....Carston passed away.

As you can imagine...months of critical care...round the clock...day after day...brought about staggering hospital and doctor bills.

As part of her "family"...Cheers wants to help in small way by donating the profits of our Mother's Day Brunch to Justin and Ashley.
